A need to belong drives her. A longing to forget

other's arms, but only love can mend their hearts. An Outlander Raised by a tyrannical father, Marion de Lacy yearns for the comfort of belonging to a loving family. So when her father announces her betrothal to an evil knight in exchange for his help to overthrow the king, she concocts a desperate scheme to avoid the marriage: feigning her own death and then fleeing England. But when her plan goes terribly awry and she's captured by the knight, not even her careful preparations could ready her for the Scottish barbarian who rescues her and then informs her that he's to marry her by edict of her king. Certain her father will defy the king's orders and wed her to the knight if she refuses the Highlander's hand, Marion agrees to marry the strangely compelling but obstinate laird of the MacLeod clan. A Highlander After the death of his beloved wife, Iain MacLeod has no desire to marry ever again. Yet when he finds himself obliged to do so to secure the freedom of his childhood friend and king, he reluctantly travels across England to collect his unwanted bride, expecting to find a cold Englishwoman. Instead, he discovers a fiery, bold beauty who is fiercely loyal, protective of those she loves, and defies him at every turn, challenging his certainty that his heart is dead. Ensnared Following a hasty marriage and perilous journey to Scotland, Marion harbors no illusions that her new husband loves her. Still, her heart cannot resist the noble, brave warrior, and she cannot suppress the hope that she has finally found where she belongs. However, the harder she tries to fit in with the clan and gain Iain's love, the farther away her dreams drift. Iain is more than willing to give his respect to his courageous wife—her kisses and caresses even ignite his blood and demand his passion—but he refuses to give up his heart. That is, until enemies near and far threaten to take Marion from him. Now the demons that haunt him can only be conquered by surrendering body and soul to Marion, if only it's not too late... "WHEN A LAIRD LOVES A LADY by Julie Johnstone is the first book in the Highlander Vows: Entangled Hearts series, and I cannot wait for the second instalment. With beautiful imagery, the author transports the reader to a whole new world. Both Marion and Iain are meaningful and emotional characters, who I became deeply invested in. Seven Lasses and a Laird - Kara Griffin - 2021-01-31

Keith Sutherland, the son of a powerful clan, is called home to take over the role of chieftain. The elders impose one stipulation—that he takes a wife. He is given the choice to marry one of six lasses from the most prominent clans in the north. As he courts the lasses, he realizes the one woman who ignites his passion is forbidden to him. Marren Macleod gave her heart to Keith long ago. When he returns home, her desire for him deepens, especially when his kisses spark her unbridled passion. As Marren tries to win Keith's affection, secrets come to light as to why she was sent to his clan for fostering. She is furious to learn she's nothing but a pawn, going from one laird to another in their game of alliances and enemies. To prevent marriage to her guardian's choice, Marren must force her betrothed to break the agreement set by his father. At first, Keith wholeheartedly courts the lasses, but then mysterious happenings occur. Some lasses fall ill and some flee his castle in fear they have been hexed. He refuses to name the lass he intends to marry and delays his nuptials, much to the chagrin of his clan. With seven lasses at his disposal, one laird should be able to find a woman likable enough to marry. If only he might win the heart of the woman he most desires and put behind him the family discord that could be his undoing.

The Laird's Willful Lass - Anna Campbell - 2021-07-29

An untamed man as immovable as a Highland mountain Fergus Mackinnon, autocratic Laird of Achnasheen, likes to be in charge. When he was little more than a lad, he became master of his Scottish estate, and he's learned to rely on his unfailing judgment. So has everyone else in his corner of the world. He sees no reason for his bride-when he finds her-to be any different. A headstrong woman from the warm and passionate south Marina Lucchetti knows all about fighting her way through a wall of masculine arrogance. In her native Florence, she's become a successful artist, no easy feat for a woman. Now a commission to paint a series of Highland scenes promises to spread her fame far and wide. When a carriage accident strands her at Achnasheen for a few weeks, it's a mixed blessing. The magnificent landscape offers everything her artistic soul could desire. If only she can resist the impulse to smash her easel across the laird's obstinate head. When two fiery souls come together, a conflagration flares. Marina is Fergus's worst nightmare-a woman who defies a man's guidance. Fergus challenges everything Marina believes about a woman's right to choose her path. No two people could be less suited. But when irresistible passion enters the equation, good sense soon jumps into the loch. Will the desire between Fergus and Marina blaze hot, then fade to ashes? Or will the imperious laird and his willful lass discover that their differences aren't insurmountable after all, but the spice that will flavor a lifetime of happiness?
